The next section covers the added extras, so you may or may not want to choose anything here.

On the left, put a tick if you want to exchange one of your 3 PE lessons for an extra RE lesson, so that you can take a GCSE in RE.

I would like to study full GCSE RE using 1 hour of Core PE		I would like to be considered for a twilight course		Further Maths	<input type="checkbox"/>
		This is a 2 year commitment; we recommend that you only choose one twilight.		Italian	<input checked="" type="checkbox"/>
				Triple Science	<input type="checkbox"/>

On the right, tick if you want to take one of the twilight courses. Either:

Further Maths – after school, one day a week, 3.15pm-4.15pm (you will have already discussed this with your maths teacher)

Italian – after school, one day a week, 3.15pm-5pm (you will have already discussed this with your language teachers)

Triple science – after school, one day a week, 3.15pm-5pm (you will have already discussed this with your science teacher)

Remember that a twilight course is a significant commitment and you should only choose one if you will keep going with it all the way to the end of Year 11.

You might not tick any of these, it's up to you.

Option Subjects					
If you currently study a Language and have a recommendation to continue, this has been entered as your first option choice.					
1. Spanish	2.	3.	4.		
I have chosen business GCSE. My reserve choice is:		I have chosen a Technology subject. My Reserve Technology choice is:			
		I would be equally happy to study my 1 st Technology choice or my reserve:	<table border="1"> <tr> <td>YES</td> <td>NO</td> </tr> </table>	YES	NO

If you choose business, then you must give a reserve. There will only be 4 business classes and if a lot of students choose business then we will randomly select students for business.

Those that are not selected will be placed in their reserve choice.

We will inform you if this happens.

Option Subjects			
If you currently study a Language and have a recommendation to continue, this has been entered as your first option choice.

If you choose a technology subject, then you need to give a reserve. This will probably be another technology subject, but it doesn't have to be.

You then need to decide whether to circle YES or NO.

Circling YES means that you would be equally happy to do your 1st technology subject or your reserve.

Circling NO means that your 1st technology subject is a priority; you would not want to take the reserve instead.

Return your form to reception by Monday February 19th.

Signature of Student:

Signature of Parent/Carer:

Finally, you need to sign the form.

A parent or carer needs to sign as well, to indicate that they support the option choices you have made.

You cannot choose art with photography.

Note that the option subjects available are shown at the bottom of the form, as a reminder. You can only choose one of the PE subjects (GCSE PE, Sport BTEC or Health & Fitness).

You can only choose one of the technology subjects.

You should aim to choose subjects from across different subject areas. If you decide to specialise by choosing two subjects from one subject area, then your other choices must come from different areas.

Return your form to reception by Monday February 19th.
